Settling into the BGC Centre

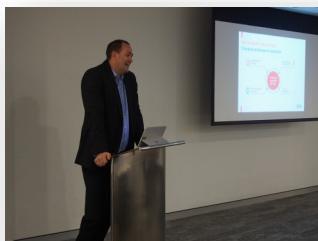

IMS Headquarters moved to the BGC Centre in November 2017. IMS is now within easy access to a number of our major Clients, which has increased our availability to current and future clients.

We are enjoying breathtaking views of Elizabeth Quay and the Swan River, thanks to very attractive leasing rates! So if you're around the Terrace, drop by!

IMS & BDO Co-Presentation

One of the perks at the BGC Centre is access to a large function room for workshops and presentations. International accounting firm BDO and IMS joined forces on 21 March in the BGC Centre to inform our clients and industry contacts on the Single Touch Payroll Reporting System coming into effect 1 July 2018.

If you require any information on the new ATO requirements, please contact BDO.
